

Objective Display

The diagram shows a rectangular objective tile with a thick black border. The tile is divided into two main sections. The left section is a square with a diagonal split: the top-left triangle is red and the bottom-right triangle is light beige. An arrow labeled "Yugoslav" points to this section. The right section is a light gray square. Inside this gray square, the number "3" is in the top-left, "5" is in the top-right, and "(16)" is at the bottom. Arrows point to these numbers with labels: "Recruitment Value" for "3", "Victory Point Value" for "5", and "Intrinsic Defense Strength" for "(16)". Above the tile, the word "Trieste" is centered, with an arrow labeled "Objective Name" pointing to it. To the right of "Trieste" is a black star icon, with an arrow labeled "Terrain Type" pointing to it. Below the tile, the word "Axis" is written, with an arrow pointing to the gray square section.
